Date: 13th March 2025

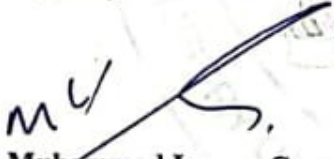

To all the Chief Executives of the Health MDAs

Yobe State Government Comprehensive Guidelines for Preparation and Submission of Consolidated Work Plan for State Primary Health Care Budget

Sequel to the requirement of the Federal Ministry of Health Department of Health Planning, Research, and Statistics, and the World Bank Hope project criteria, all agencies of the ministry of health should adhere to the attached approved guidelines for the development of the consolidated work plan of respective agencies/institutions/organizations as attached to this letter.

This is to enable the Yobe state government and the ministry of health to participate in the hope project under the sector-wide approach office under the national health sector renewal investment initiatives

Please, accept the assurances of my highest regards

Dr. Muhammad Lawan Gana
Honourable Commissioner
